Partner Visa: Offshore Temporary and Permanent (Subclasses 309 and 100)

Application Document Checklist

This application document checklist details the information and supporting documents (personal, health and character) required to assist with the lodgement of a complete application with the department. You may also need to provide additional information and documentation after you have made your application if the department requires it.

Note: You should use this checklist only if you are applying for a Partner (temporary) visa (Subclass 309). If you have already been granted a Partner (temporary) visa (Subclass 309), the department will send you a checklist when you are eligible to be considered for the Partner (permanent) visa (Subclass 100).

More information about this visa is available.

See: [About this Visa](#)

Do not provide original documents unless requested. You should provide 'certified copies' of original documentation. Documents not in English must be accompanied by accredited English translations.

See: [Booklet 1](#) *Partner Migration*

You should ensure that you lodge a completed visa application. While the department may ask you to provide more information in order to determine whether you meet the criteria for grant of the visa, a decision on the visa application may be made solely on the information provided at the time of application.

Note: The Visa Application Charge will not be refunded if a decision is made to refuse to grant the visa because the applicant did not satisfy the criteria for grant of the visa.

More information to help you prepare your application is available.

See: [Information to Help You Prepare Your Application](#)

Important: Application requirements differ from one country to another. If you are applying outside Australia, you should contact your nearest departmental office and check exactly how to submit your application and what documents to provide.

See: [Immigration Offices Outside Australia](#)

Important: Please do not undertake a health check unless requested to do so.

After completing this checklist, please attach it to the front of your application.
